A CRITICAL NEED FOR SUPPORT

My Bike®

IT'S ALL FOR THE KIDS!

My Stroller®

Over the last year, Variety's pace and momentum have built up to new heights with Variety presenting more than 1,060 adaptive bikes, adaptive strollers, and communication devices to kids with disabilities throughout 71-counties in PA and WV!

Because of our incredible success and impact, we are nearly out of funds for adaptive bikes and adaptive strollers.

HUNDREDS OF APPLICATIONS are in process for kids that need a bike or stroller right now, and your support will ensure they do not wait on this life-changing equipment!

Donations can be made online to Variety's **My Bike®** and **My Stroller®** Programs at www.varietypittsburgh.org/donate - where you can even start your own fundraiser.

The cost to sponsor one bike is \$1,800 and one stroller is \$1,500, but any gift truly makes a difference.
