## **Literacy and STEM: Explore STEM**

June 10-13, 2024

9:00-10:30 AM

Grades K-2

Campers will listen to stories from their favorite picture book, and then complete daily STEM design challenges that accompany the stories. Using their creativity and design skills, campers will collaborate with peers to increase their problem-solving skills in this hands-on camp.

## **Sizzle and Fizzle: STEM Kitchen Chem**

June 17-20, 2024

8:30-11:30 AM

Grades 3-5

Get ready to mix, stir, and sizzle at this food science summer camp! Curiosity will be ignited as campers explore the wonders of science through fun and tasty experiments. From creating colorful concoctions to uncovering the secrets behind delicious treats, our camp combines hands-on experimentation with the joy of cooking.

## **Inventive Coders**

June 17-20, 2024

12:00-3:00 PM

Grades 3-5

Embark on a journey of discovery at this engineering and coding summer camp! This camp introduces the basics of engineering and coding through interactive games, colorful activities, and creative projects. From building simple structures to experimenting with coding concepts, campers will have a blast while laying the foundation for future STEM success.

## **Blue Prints & Bits**

June 24-27, 2024

8:30-11:30 AM

Grades 6-8

Get immersed in the exciting world of engineering and coding! Unleash creativity and problem-solving skills while engaging in hands-on activities, collaborative projects, and coding challenges. Campers will explore and design using the engineering design process, virtual reality, augmented reality, coding languages, and robotics.

## **EcoExplorers**

June 24-27, 2024
