

Planning for Quality Data

Referring to your **Quality Data Culture Concept Map** and the **Quality Data Self-Assessment Survey** results, determine at least two priority areas that need to be addressed in order for your organization to move forward in building a culture of quality data. Complete the planning chart below to establish the next steps that need to be taken to achieve this culture.

<i>Where are you now?</i>	<i>Where do you need to go?</i>	<i>How will you get there?</i>	<i>Who will get you there?</i>
