

# SPROUT

CENTER FOR EMOTIONAL GROWTH  
AND DEVELOPMENT, LLC

presents

## Infant and Early Childhood Mental Health Training

**AUGUST 16 2019 | 9 AM - 4 PM**

**17 MAPLE AVE | MARLIN PA 17951**

Sprout Center for Emotional Growth and Development, LLC is pleased to provide a training that focuses on Infant and Early Childhood Mental Health that falls within standards set forth by the Commonwealth of Pennsylvania. Sprout Center for Emotional Growth and Development's mission and focus is with young children and families.

### A few of the topics covered in The Infant and Early Childhood training are as follows:

- What is Infant Mental Health (IMH) and Historical development of IMH
- Neurodevelopment of babies
- Social- emotional capacity of infants and children
- Attachment/Disruptions in attachment and where we see these in the work
- Behavioral manifestations in young children
- How attachment and IMH work ties into early intervention and behavioral health
- Parental mental health (Depression, anxiety, postpartum, trauma)
- Techniques of IMH and how to use these in our work.
- Unfortunate Trends in IMH and family work (opioids discussion)
