Community and School Based Behavioral Health (CSBBH):

This program is available to students in the Pottsville and Minersville elementary school and Minersville Early Childhood Center. SBBH services differ from other behavioral health because it is provided in school, after school and on weekends. SBBH is also provided as needed in the student's home or community.

New Story
2880 Pottsville-Minersville Highway
Minersville, PA. 17954
570-544-9723

Extra Miles for Families (EMF):

EMF offers Intensive therapy to teach and train parents to cope with a child/adolescent with a mental health disorder while reducing the need for out of home placement.

New Story
2880 Pottsville-Minersville Highway
Minersville, PA. 17954
570-544-9723

Family Based Mental Health Services (FBMHS):

FBMHS offers family-focused, intensive, in-home interventions designed to prevent out-of-home placements.

The ReDCo Group – LIFT
16-18 S. Centre St.
Pottsville, PA. 17901
570-628-5234

Parent-Child Interaction Therapy (PCIT):

PCIT is an evidence-based treatment appropriate for parents of children age 2.5-7 years old. Parents learn the skills of PCIT from in-session, direct coaching by a therapist. As the parent and child interact the therapist gives suggestions to the parent through an earpiece.

New Beginnings
1 W. Centre St.
Mahanoy City, PA. 17948

Schuylkill Health Counseling Center
502 S. 2nd St.
St. Clair, PA. 17970
570-622-5898

Child/Adolescent Partial Hospitalization Program:

Partial hospitalization offers mental health treatment interventions that are provided in a clinic setting to assist children in transitioning from inpatient hospitalization or for prevention of psychiatric hospitalization. The primary objective is to increase the level of patient functioning and well being so that patients will require less intensive services and be able to stay in their home schools and community.

Schuylkill Learning Academy
Schuylkill IU#29
17 Maple Ave.
Marlin, PA. 17951
570-544-9186

Therapeutic Foster Care (TFC):

Therapeutic foster care provides out-of-home placement for children and adolescents in foster care settings within the community. Residents receive services based on their need e.g. individual and family therapy, medication monitoring, and therapeutic staff support. Educational services are provided within the local school district. Emphasis is placed on reunification of the child with the family.

570-628-3323

Residential Treatment Facility (RTF):

Residential Treatment Facilities provide out-of-home placement for children and adolescents in unsecured residential settings. All facilities are certified by the Office of Mental Health and Substance Abuse Services. Residents receive intensive treatment with stress being placed on recommendations for discharge and return home to family and community. Numerous residential facilities are located throughout the state.

Crisis Intervention/Emergency Services:

Crisis intervention provides intervention on an emergency basis via telephone and mobile crisis workers.

Schuylkill County We Help

Telephone - 1-877-9WE-HELP
(993-4357)

Telephone - 24 hours a day, 7 days a week

Mobile - 24 hours a day, 7 days a week.

Office of Vocational Rehabilitation (OVR):

OVR offers a number of programs and services for those individuals who qualify based on established criteria.

Office of Vocational Rehabilitation
3602 Kutztown Rd. Suite 200
Reading,
PA. 19605
610-621-5800

Community Care Behavioral Health:

Many of the children who have Medical Assistance are now served through the Managed Care Agency, Community Care Behavioral Health Organization (CCBH). This opens the door to the possibility of additional provider agencies outside of Schuylkill County providing services for children. **The number for CCBH is 1-866-878-6046**

Child and Adolescent Service System Program (CASSP):

The CASSP team is composed of key persons from all child-serving agencies - The child and family, MH/DS, Children & Youth, Drug & Alcohol, Education, Juvenile Justice, etc. The team meets on a weekly basis to problem solve, address children's issues, and assist in the development of a coordinated service plan. Various issues discussed may pertain to children who are at risk of out-of-home placement, children returning home from out-of-home placement, a child and/or family who is having difficulty accessing services, children involved in two or more non-educational CASSP systems, or issues involving the child's educational placement. A meeting date and time may be requested by any person involved with the child and/or family.
